Dear Luke

**Windrush Lessons Learned Review – Progress Update: Publication**

As you will be aware, the Home Secretary laid my Windrush Lessons Learned Review report before parliament in March 2020. Recommendation 2 of that report stated:

*“The department should publish a comprehensive improvement plan within six months of this report, which takes account of all its recommendations, on the assumption that I will return to review the progress made in approximately 18 months’ time.”*

I am writing to you today to inform you that I have now completed my revisit to the department, and my independent assessment will be published in full on [gov.uk](https://www.gov.uk) by the Home Secretary on 31 March 2022.

I would like to say thank you for taking the time to complete my “call for evidence”. We have taken into account the points you have raised, and these have assisted in respect of the assessment.

With best wishes and thanks.
