

Dear EU citizen,

The tenth anniversary of Brexit is rapidly approaching on the 23rd June, along with our mass lobby at Parliament.

We urgently need your help though. To raise the issues which we continue to face we need MPs to be aware of them.

Write to your MP today

Use the template letter via our mass lobby information page, or write your own, but please get writing and call on your MP to meet.

#ThisIsOurHome Campaign

We also want to show that we are still here ten years on.

We know that there is violence on the streets and division is rife among communities. We know that many people are afraid right now.

That is why it is so important to show that #ThisIsOurHome.

The plan is simple

1. Create a sign saying “This is our home”
2. Take a picture with the sign
3. Post on your social media platforms, tagging in the3million and using the hashtag **#ThisIsOurHome**

You can find us on:

- Bluesky: @the3million.bsky.social,
- Facebook: the3million
- Instagram: wearethe3million
- Share your pics with us, if you are happy to do so, so we can share as well

Thank you for being part of our community. If you are able, please consider supporting the3million so we can continue campaigning for the rights of EU citizens across the UK.

In solidarity,

Jamie
