

Dear EU citizens,

In September 2017 we took our iconic image saying “This is our home”. As we approach the 10th anniversary of the Brexit vote, we want to show that the UK is still our home.

EU citizens were promised in 2016 that nothing would change for them. The Withdrawal Agreement, eventually signed in 2019, promised lifetime protections.

The last ten years, though, have seen many of these promises broken and ignored by successive governments.

This **is** our home though. We know that. Let’s take this opportunity to remind everyone else. #ThisIsOurHome

We are asking you to take photos, individually, in groups, as organisations, as communities, with signs saying “This is our home”. Then share them on social media in this month from tomorrow until the Brexit referendum 10th anniversary on the 23rd of June.

We’d love to see your photos from all over the UK - get creative with your backgrounds!

Complete this form if you'd like to connect with EU citizens in your area, join local WhatsApp groups and organise a photo meet up together,

It would be fantastic to be able to use your photos on our social media, website, and in campaigning, if you feel happy for us to do so. Please let us know if you send them through.

The plan is simple.

1. Create a sign, or lettering, saying “This is our home”. Be as creative (or not) as you feel!

2. Take a picture with the sign, or lettering in your local area or at your local landmark

3. Post on your social media platforms, tagging in the3million and using the hashtag #ThisIsOurHome

You can find us on:

- Bluesky: @the3million.bsky.social,
- Facebook: the3million
- Instagram: wearethe3million

4. Send your pics directly to us via info@the3million.org.uk - we will display them on our website and share on our social media.

Let’s remind everyone that the UK is our home. That we were promised protections, and that those promises must be met.

Whether you take part or not, please consider supporting us so that we can continue to campaign for the rights of EU citizens.
