

Dear EU citizen,

As we are sure you know, the tenth anniversary of the Brexit vote falls on the 23rd of June.

As EU citizens we were promised that our rights would be fully protected through the Withdrawal Agreement, for many of us this is not the reality.

Join us in marking the day with a Mass Lobby at Parliament, where we will be raising the issues we face with MPs'.

The EU Settlement Scheme (EUSS) is failing the more than 5.7 million people who applied. Thousands, including children, the elderly, and vulnerable adults remain excluded. Barriers include difficulties with late applications, lengthy periods in limbo - unable to travel - while waiting for decisions, and lack of places to turn to for help since all support for Government Funded Organisations (GFOs) ceased after March 2026. For those who have been able to get their EUSS status, the lack of tangible proof of status causes a huge range of problems across travel, employment, rental, healthcare, benefits and more.

It is essential that your voice is heard on this matter. Bring your friends, your family, your neighbours.

To attend the mass lobby please register through the link.
